

How to Post & Share on LinkedIn

How To Post

- At the top of your feed, click Start a post
- Type post in “What do you want to talk about?”
- Use the icons at the bottom left to attach a photo, video, article, or document
- Click the three dots for additional options
- Add a hashtag by clicking the blue Add hashtag
- Hit the “post” button at the bottom right

How to Share

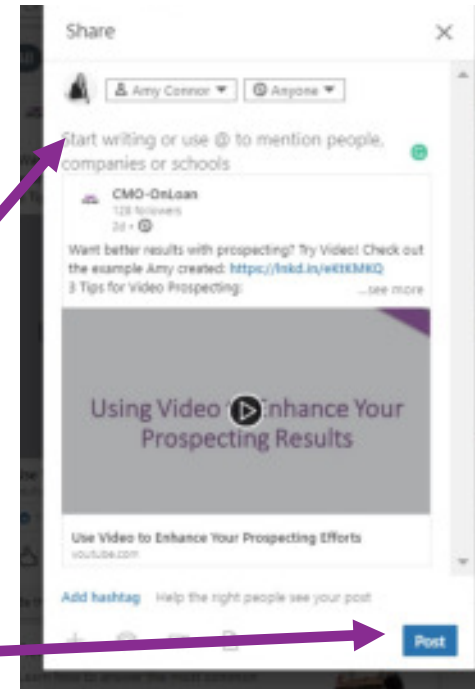

1. Go to the LinkedIn page

2. Scroll to the post

3. Click "share"

4. Add a comment in the text box (@company to connect to your company)

5. Click "post"

How To Tag In Your Post

- When you want to mention a person or company who has a LinkedIn account, type @ and their name in create a post
- A list of profiles with that name will pop up, click their profile
- Once you click their profile, the @ will go away and just list their name
- Click “post” in the bottom left
